Technology Connects Communities, Provides Portal to Future

If Horizon House residents want to plan their schedules or look up a friend's phone number, they have to get a paper copy of the community's activities calendar and resident directory. But when the continuing care retirement community and CHHSM member ministry in Seattle launches its internal resident portal this spring, residents will have a new way to connect with their friends. CELEBRATING HERITAGE

Century, Anticipates the Next

A centennial is a good time to commemorate an organization's history. But Pilgrim Place in Claremont, California, is not only celebrating its achievements but also planning for its next 100 years. [Read more »](#)

FROM THE PRESIDENT

Transformation

Why all this talk about transformation? Because transformation is the only constant that exists in our lives. Transformation happens at every level, starting with our personal interactions, friendships and networks, which have profound impacts on our world views. [Read more »](#)
